

All gas and no air? Why addressing climate change is critical for maternal and infant health

Author(s): Bick D
Year: 2009
Journal: Midwifery. 25 (6): 597-598

Source: <http://dx.doi.org/10.1016/j.midw.2009.10.003>

Resource Description

Exposure : ☒

weather or climate related pathway by which climate change affects health

Unspecified Exposure

Geographic Feature: ☒

resource focuses on specific type of geography

None or Unspecified

Geographic Location: ☒

resource focuses on specific location

Global or Unspecified

Health Impact: ☒

specification of health effect or disease related to climate change exposure

General Health Impact

Population of Concern: A focus of content

Population of Concern: ☒

populations at particular risk or vulnerability to climate change impacts

Children, Pregnant Women

Resource Type: ☒

format or standard characteristic of resource

Policy/Opinion

Timescale: ☒

Climate Change and Human Health Literature Portal

time period studied

Time Scale Unspecified
